*Assessment for Quality Health*

**FINAL UAHEB EXAMINATION TIME-TABLE FOR NOVEMBER-DECEMBER 2024**  
**EXAMINATIONS**

Thursday 21st November, 2024	<b>Institutions brief their candidates</b>	
Friday 22nd November, 2024	<b>Briefing of Coordinators &amp; Invigilators</b>	
<b>DATES</b>	<b>Morning: 9:00 AM – 12:00 PM</b>	<b>Afternoon: 2:00 – 5:00 PM</b>
<b>WEEK ONE</b>		
Monday 25th November, 2024	CEC 2201: Medical Emergency Care II	CEC 2101: Medical Emergency Care I
	CEC 1104: Personal and Community Health	
	CEH 2201: Food Hygiene and Safety	CEH 2101: Community Health
	CEH 1106: General Practical I	
	DEH 2101: Sanitary Building Technology II	
	CMR 2101: Basics of Medical Information Technology	CMR 1101: Introduction to Health systems
	MER 3101: Information & Communication Technology	CMR 2202: Principles of Customer Care & Public Relations
	MER 1101: Introduction to health care systems	MER 2105: Medical Pharmacology
	MER 2203: Disease classifications & medical coding	MER 3201: Records, Archives and preservation and conservation
	CPH 1205: Pharmaceutical Chemistry (Amnesty)	CPH 2201: Pharmaceutics II
	CPH 2104: Therapeutics I	
	PHA 3101: Pharmaceutics IV	PHA 3203 Pharmacy practice III
	PHA 2201: Pharmaceutics III	PHA 1103: Biochemistry I
	CTA 2206: Practical OSCE/OSPE	
	DCM 1101: Introduction to Anatomy & Physiology and systemic Anatomy and Physiology	DCM 3201: Medicine-non infectious Conditions
	DCM 1201: Systemic Anatomy and Physiology (Amnesty)	DCM 2101: Clinical Pharmacology
	DCM 2201: Ophthalmology	
	DCM 3101: Medicine - Infectious Conditions	
	DAN 2102:Obstetrics anesthesia	DAN 1101:Communication skills & medical ethics
	DCN 2202: Food security	DCN 2102: Microbiology and Food Hygiene
	DCN 3203: Nutrition and Drug therapy	
	DCO 2101: General Medicine	DCO 3201: Refraction
	DCO 2204: Ocular anatomy & Physiology	DCO 1101: Anatomy & physiology of the human body
	HCO 1101: Ocular Anatomy and Physiology	
	DCP 1101: Anatomy and Physiology	DCP 2101: Psychiatry I
	DCP 2203: Forensic psychiatry	HDP 1101: Psychiatry I
	HDP 2203: Forensic psychiatry	
	DOT 2101: Clinical Science - Orthopaedics	DOT 2203: Occupational therapy in mental health
	HHP 1103: Anatomy and Physiology	HPE 1101:Theory and Practices of Health Promotion and Education
	DDT 2106: Practical II	
DDT 2201: Partial Dentures III	DDT 3201: Prosthetics II	
DDT 1101: Anatomy	MLT 1101: General Laboratory practice I	
MLT 3206: General Practical VI	MLT 3101: Immunohaematology I	
MLT 1203: Histopathology I	CLT 2201: Blood Transfusion II	
CLT 1202: Microbiology II	CLT 1101: General Laboratory practice I	
DLM 1101: Concepts,Principles & theories in leadership and management		

DPT 1101: Fundamentals of Human Anatomy and Upper limb	DPT 2201: Manipulative Techniques
DPT 2101: Anatomy III (Old curriculum)	DPT 2103: Therapeutic Massage
DPT 1201: Anatomy II (Old curriculum)	
PMA 1101/PHD/DDT/OPM/DMR/DOT/OTD/RAD/ ENTO Anatomy	DMR 2103: Anatomy III
DMR 2301: Clinical Radiographic practice II	DMR 3201: Radiographic equipment II
DEA 2101: Counselling and Family Therapy	ENTO 3201: Environmental Health II
	ENTO 2102: Arthropoda II
ORD 1101: Anatomy and Physiology	ORD 3204: Palliative Care
ORD 2202: Otology	ORD 2101: Internal Medicine
DOR 1101: Otology	DOR 2104: Palliative Care
OPM 2201: Trauma management & Radiology	OPM 3201 : Surgery II
	OTD 3202: Upper limb prosthetics
	OTD 2101: Applied anatomy II
	OTD 2202: Workshop Management
	PHD 2101: Operative Dentistry I
PHD 3103: Dental Public Health III	PHD 3201: Oral surgery and pathology IV

Tuesday 26th November, 2024	CPH 2106: Pharmaceutical Practical II	CPH 1106: Primary health care
		PHA 1101: Anatomy and physiology I
	PHA 3102 :Therapeutics II	PHA 2202: Therapeutics I
	PHA 2102: Pharmaceutics II	PHA 3204: Pharmacy laws, regulations and ethics
	CEC 2202: Surgical emergency care II	CEC 2102: Surgical Emergency Care I
	CEC 1103: Anatomy and Physiology I	
	CEH 2106: General Practical III	CEH 1101: Communicable diseases
	DEH 1101: Principles of Communicable Diseases	
	DHP 1101: Introduction to Health Promotion and Education	HPE 1104: Community and Environmental health

### **Examination Instructions**

Principals: Please do ensure that the instructions are communicated and understood by all the candidates.

Please submit your concerns to UAHEB through our email or phones 0414690221.

They will not be accepted after the time table is confirmed by the Board

1. No candidate may enter the test/examination hall later than 30 minutes after test/examination session has commenced and no candidate may leave the test/examination hall earlier than half an hour after the test/examination has commenced.

2. Candidates are obliged to execute immediately all instructions given by an invigilator.

3. All conversations or any form of communication between candidates must cease once the test/examination has commenced.

4. Candidates must not take into the test/examination hall or have in their possession any unauthorized apparatus, books, notes or paper of whatever nature or size.

5. **Mobile phones, recording apparatus and ANY ELECTRONIC appliances are prohibited in the /examination hall.**

6. **No candidate must assist or attempt to assist another candidate or obtain assistance or attempt to obtain assistance from candidate with regard to any information during the test/examination.**

7. **Writing on paper other than that supplied for the test/examination purposes is strictly prohibited.**

8. **Write the number of the question you are answering at the top of each page.**

9. **Candidates shall not write on the question paper unless they are required to fill in answers or to respond to multiple choice questions.**

10. **Begin each number on a fresh page.**

11. Rough work should be done in the examinations answer book and then crossed out. Page(s) **must NOT be removed** from the answer book.

12. In NO circumstances must answer books, used or unused, be removed from the examination room by a candidate.

13. Only in exceptional circumstances will a candidate be given permission to leave the test/examination hall temporarily, and then only under the permission of the invigilator.

14. When the invigilator announces that the time has expired, candidates must stop writing immediately otherwise the candidate will be reported to the Examinations Security Committee of the Board.

**Please Note:**

Examination question papers **should be left behind** in the examination room when the examination time is over.

Candidates are seriously cautioned to abide by these instructions.

For OSPE/OSCE practical papers appearing in the morning, if candidates are not cleared, the exam can be given in the afternoon for the balance of candidates.
